A. No. For year 2024 (the inaugural year), all categories are open to the public, and no registration fee is required.

Q. What do I have to do to submit?

A. Please choose the category that you wish to participate in, fill in the form for each entry, and send us a 20ml sample per entry to the following address in Australia:

Q. What is the requirement of the sample? Can I send more than 1 sample for each category?

A. Yes you can. An individual may enter a maximum of 3 times. The details are below.

For Emerging Perfumer:

- 20ml sample per entry
- Separate form for each entry
- Maximum 3 entries per person

Example: Lily wants to enter 3 perfumes that she has created. She must fill out 3 forms (one for each perfume), and send 20ml samples of each perfume that she entered.

For Emerging Brand:

- 20 ml sample per entry
- Separate form for each entry
- Maximum 3 entries per person

Example: Kevin has a perfume brand, and wants to enter the Emerging Brand category and the Emerging Perfumer category. He fills out one form for the Emerging Brand category, and sends a sample perfume from his brand. He also wants to enter this perfume in the Emerging Perfumer category, so he fills out a form in the Emerging Perfumer category and sends another 20m sample.

For Wildcard:

- Equivalent 60g candle or reed diffuser, etc/20ml perfume or steam diffuser fragrance

- Something else? That's okay! Email us at australia@asiaperfumefoundation.com
- Maximum 1 entry per person
